WHAT'S UP WITH MATT? MEDIKIDZ EXPLAIN HIV

DID YOU KNOW?

- HIV/AIDS affects over **33 MILLION** people today.
- **OVER A THOUSAND** children become infected every day.
- There are over **2.3 MILLION** people living with HIV in Europe.

How much do you **REALLY** know about HIV/AIDS? Help raise awareness in support of World AIDS Day on 1st December by joining the **MEDIKIDZ** on their non-stop adventure of the immune system in "What's up with Matt? Medikidz Explain HIV."
